Many things have happened over the 1978-1979 school year and I hope in the years to come this Hurri-Kane edition will bring all the memories of this past year back.

I would like to express my sincere thanks to my faithful staff for helping to put together this yearbook. It took many long hours of hard work and dedication to make the 1979 Hurri-Kane possible and we all hope you will enjoy it.

Sincerely,

Debbie Timpano

I

the child

not knowing what to see

came blindly to the schoolyard

filled with tumbling boys and

  jump roping girls

reached a peek

  but it was time to move on

I

the classmate

bound to be something

heroic and confident

  to be what I could be

soon found out

  it's better to be an individual

I

the student

trying to find out what's

not known

questioning every question

stepped into this tall box

  not knowing it doesn't stop at

    the top

Finally reached what I never

  thought could be reached

to find out no one ever told me

  There's no lid on the box.

DEDICATION OF THE 1979 HURRI-KANE TO MR. LOREN WRIGHT

Mr. Loren Wright was a dedicated teacher the whole year around. During the school year he worked with students of all ages, giving instrument instruction to the elementary students, directing the concert band, chorus, orchestra, and his own creation: The Choraliers. But his dedication and aggressiveness didn't stop there. Mr. Wright gave up his summers and worked long hours in the hot sun with the Kane High Marching Band, preparing them for parades, fair competition, and football half-time shows.

For all the dedication Mr. Wright has given to us students, the 1979 Hurri-Kane staff would like to express their deep thanks to him by dedicating this yearbook to him.

THE LAST OF

THE SEVENTIES

"I" THE CLASSMATE

I'm a classmate and it has been a very important part of my life. I have experienced a great deal of things during my high school years. There were the usual boring classes and days that seemed to take forever. But my classmates and I have shared many good times here at KHS. I have made many good friends, some whom I will know forever yet it is sad to think that there will be many whom I may never see again. Just think, after we graduate and start a new life for ourselves we'll be back again to celebrate our class reunions. I'll really be shocked to find that my best friend in high school is now married and has eight kids! Just think of all the fun we've had working together whether it was on a homework problem or learning lines for the class play. Working of the Prom and Magazine Drive produced many headaches but there was always time for a good laugh. These high school days can't last forever and for the seniors they're just about over, but I've really enjoyed my days here at Kane High. In the future I'll be taking on alot of responsibilities and I'm sure there will be many days that I'll wish I were back at Old Kane High reliving my high school days.

I look around
and find
Memories everywhere
Good times
and bad
Blended together
To make life
Friends have come
and gone
But life goes on.
And in the future
we may find
The memories that
we thought we'd
left behind.

Free and simple
a leaf on the breeze
Wherever my spirit wanders
That's where my life will be.

No fences or walls to bind me
No rules to hinder me
Then in a snap
I turn around and find reality.

I look out the window
Turn the lock on the door
Look at the clock
Then up to bed
So I can dream some more.

DIRTY WORK IN HIGH PLACES

Will sweet Little Saccharin learn about the world? Who will become the next mayor? These were just two of the questions answered on April 13 and 14 as the Junior Class Play, "Dirty Work in High Places" was presented. Many hours of hard work were spent rehearsing, organizing committees, painting scenery and selling tickets. In the end all the work paid off as the play was very well received.

Maybe if I close my eyes he won't take the picture

Do you believe I just got a perm?

Practice makes perfect

What did you call me?

Get Down!

Swede . . .The dry look.

I'm sorry, I won't do it again.

What can I say?

He said WHAT?

". . . and then he gave me back my ring."

Now where is that recipe?

Gee, I don't have THAT answer!!!

"I" THE PARTICIPANT

I'm a participant. I'm involved in many of the extra-curricular activities here at Kane High. I'm active, ambicious and constantly busy. Along with the required 1260 hours I spend here at KHS, I devote a great deal of my time to the organizations and clubs to which I belong. There never seems to be a dull moment for me. There are always meetings to attend and projects to be completed. The task of getting homework in on time and studying for tests seems inevitably impossible at times but somehow I manage to get it done. By being involved I have taken on a lot of responsibilities, and in return, I have gained a very important quality, the sense of leadership. Putting forth that extra time and effort to help our school and community have made my days here at Kane High all worth while.

It takes many dependable, ambitious and hard working people to put together a good yearbook. This year's staff did a fantastic job. Being a section editor isn't an easy job. Ideas have to be thought of, pages finished, pictures cropped and copy written. Sometimes the ever popular deadlines seemed impossible to meet but somehow everything got done on time. Much credit is due to Debbie Timpano, the editor-in-chief. Congratulations staff on a job well done!!!

UNDERSTAFF

Back L. to R.: K. Dangelo, B. Eck, T. Pierotti, J. Larson, V. Wilson, C. Deane, K. Stanko, S. Farnsworth, M. McKenna, Front L. to R.: S. Jacobus, M. DiMaria, S. Meckley, K. Sicher, P. Drost, H. Nevel, T. Sicher.

To produce a yearbook, there always needs to be an efficient Understaff. When the Hurri-Kane section editors need help, the understaff is always standing by to lend a helping hand.

"You're disgusting!!!!!!"

Just hanging around in Hurri-Kane.

"They'll never guess I embezzeled $100!!"

"I command you to sell ads!!!!"

The Advertising Staff of the Yearbook plays a very important part in its production, for without the money earned from ads there would be no yearbook. These kids go out and sell ads to the many merchants in and around Kane. Theirs is a big responsability and they worked very hard to earn the money so that there can be a 1979 Hurri-Kane.

PHOTOGRAPHERS

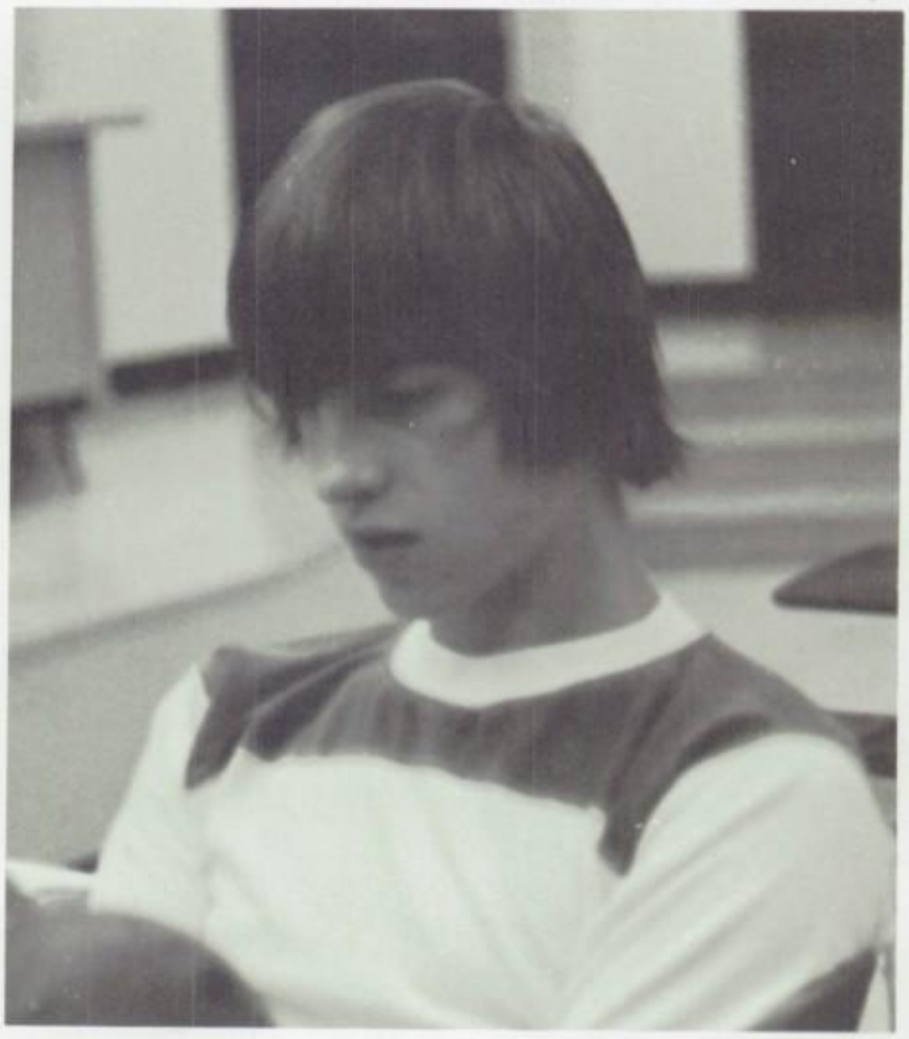
The "sweat shop".

Sometimes it seems whenever you turn around someone is taking a picture. Well that's just one of the jobs of the photography staff. They take pictures, print negatives, and print photos. They work for Hi-Life, and what would the Hurri-Kane be without pictures. Brian Harriger and Todd Cardamone were each head photographer for a semester.



"Who said that being a photographer was hard work??"

HI-LIFE

"You just fry me!!!!!"

"Hmm . . . Is it "I" before "E", or "E" before "I"??"

"Yeah, I work for Hi-Life, want to make something of it??"

There exists in Kane High School a group of dedicated, talented, and original students that work together under the supervision of Mrs. Robinson to put together eight issues of Hi-Life, the school paper. The editor this year was Lisa Rich who did a terrific job pulling all the stories and poems together. The paper this year covered sports events, concerts, extracurricular activities, and ran various contests as well as some new feature articles. We are all very proud of the accomplishments made by the Hi-Life this year and hope that next year's staff will continue to provide an interesting and fresh look at student life at Kane High.

"Let's see, there must be a mistake in here someplace!!"

The band gives many summer performances, including parades and concerts. Then in the fall the band performs at all home and away football games. In the winter they play in the "Parade of Bands" Concert.

The rewards for their hard work?? A great band party and an exciting trip to Geauga Lake Amusement Park, both of which are sponsored by the Kane Music Boosters.

Being in the band is alot of hard work but the rewards and experience that each member receives makes it all worth while!!

Chorus, under the direction of Mr. Wright and Mr. Schmidt, is a relaxing class where students participate for their own enjoyment. They meet every Monday and Friday to do what comes naturally . . . SING. If you can't remember the words, any chorus member can tell you, it's watermelon. Chorus give two fine performances at Christmas and in the Spring.

Choraliers is a group of seniors and juniors singing together, humming, caroling, "give me an A", "May the Road Rise to Meet You", and the traditional "The Snow Lay on the Ground".

This year was a special one for the Choraliers as they celebrated the twentieth anniversary of their group. Their performance at the Miss Pennsylvania Concert showed that all their hard work paid off, as they did an outstanding job. The Choraliers and their director, Mr. Loren Wright, were a hit in Erie as they performed on WICU TV for their annual Christmas show. They also sang at the annual Christmas Carol Festival and in the Spring Concert.

This was the final year for Mr. Wright as the director of the Choraliers and over the past twenty years he has gained the love and respect of all his students. Replacing Mr. Wright was Mr. Jack Schmidt, who did a fine job the second semester.

"No snow!! You've got to be kidding!!!"

Who could ever enjoy 5 degree weather and 2 feet of snow? Well, the ski club of Kane High just can't wait for that brisk winter weather to arrive. They travel to the Buckaloons every Wednesday night hoping to improve their skiing skills. The skiers will agree that there have been many memorable moments out on the slopes, like running over someone else's skies, running into the ski rack and of course repeatedly falling off the T-bar. But nothing can stop a determined skier except lack of snow. Mr. Dalton is their advisor.

"Forty below!!!! I'm not going skiing!!!!!"

"I" THE ATHELETE

I'm an athlete. I am a strong and dedicated person. I have gone through many long hours of rigorous training. I have felt the glory of winning and the disappointment of defeat. I may not be the O.J. Simpson of football or the Wilt Chamberlain of basketball, but I play to the best of my ability. Even though I am not the biggest star Kane High has ever seen, I feel as though I am a winner. I have gained so much by participating in athletics. Not only have I improved my physical strenght and agility, but I have gained discipline, respect and confidence in myself. Being involved in athletics here at Kane High is something which I'll never forget.

Our boys track team had another outstanding season this year. They compiled a 7-2 record while winning the Al-Kin League, and County Meets under first year Coaches Tom Cecchetti and Jim Sirianni. The team was led in scoring by Most Outstanding Trackman, Scott Ishman and Most Outstanding Fieldman, Mike Foote. They also had strong performances in the distance events by Dave McKenna, Mike Haberberger, and Tabb Wile. Tom Rolick led a group of returning sprinters.

Awesome can not even describe the future outlook! With an excellent group of sprinters, jumpers and distancemen, nothing can stop them from carrying on our reputation as a track powerhouse.

Fly like an eagle.

Heave, Ho!

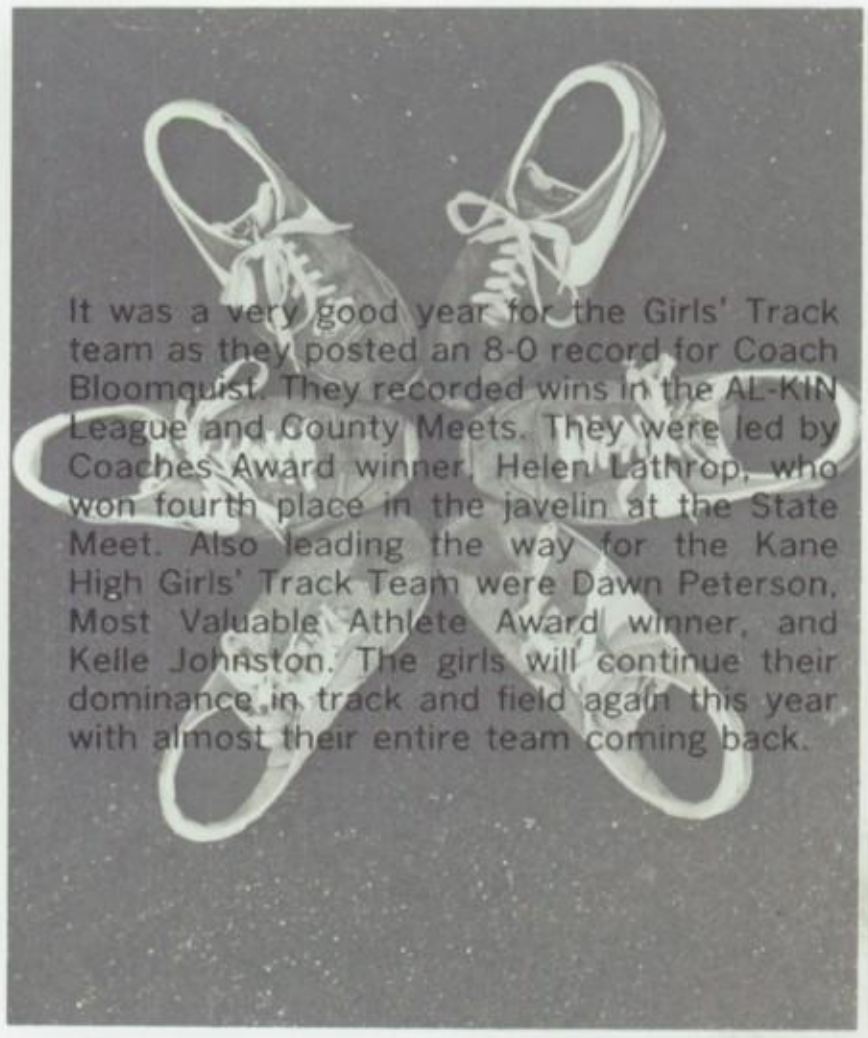
Are you SERIOUS?



It was a very good year for the Girls' Track team as they posted an 8-0 record for Coach Bloomquist. They recorded wins in the AL-KIN League and County Meets. They were led by Coaches Award winner, Helen Lathrop, who won fourth place in the javelin at the State Meet. Also leading the way for the Kane High Girls' Track Team were Dawn Peterson, Most Valuable Athlete Award winner, and Kelle Johnston. The girls will continue their dominance in track and field again this year with almost their entire team coming back.

You think that's cool?

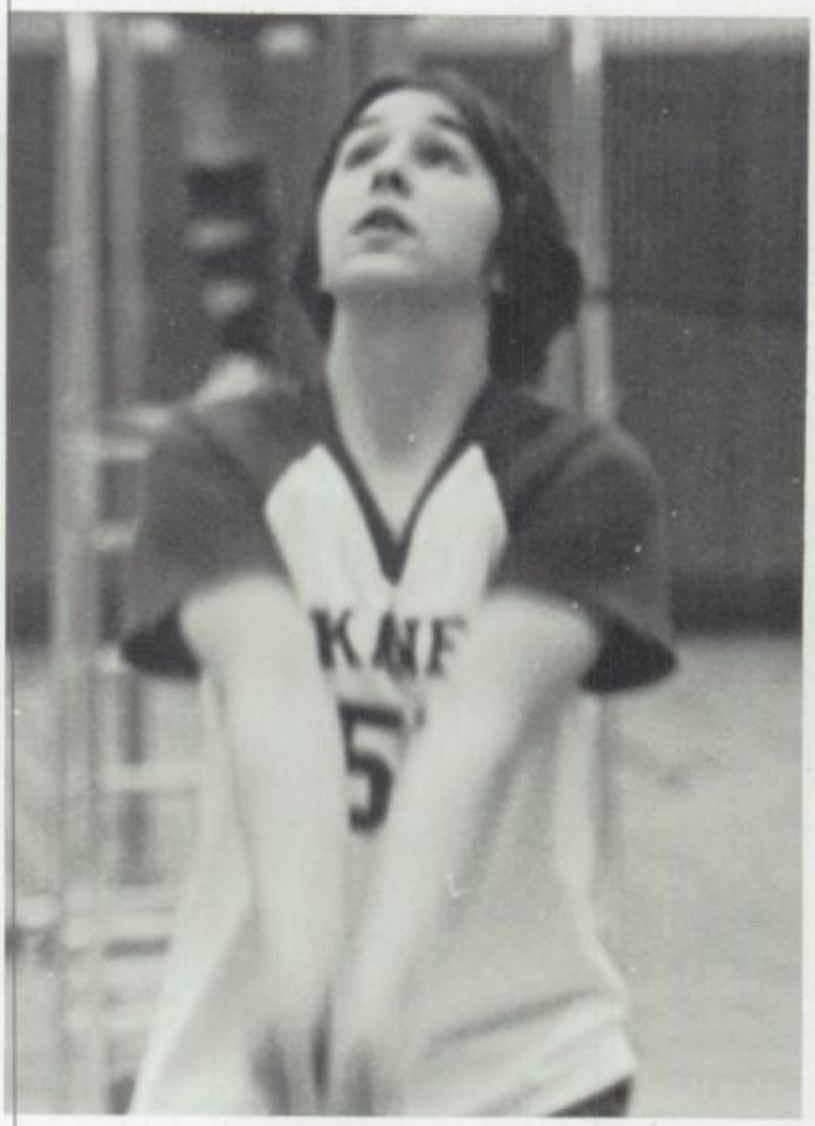
GIRLS' VOLLEYBALL

The 1978 Girls' Volleyball team had a very impressive season. They finished in a tie for first place in the AL-KIN League and also finished the '78 season with a record of 8 wins and 5 loses under the fine coaching job of Miss Cathy Adamson. The co-captains of the varsity squad were senior, Deb Parana and junior, June Bradley. June was also the recipient of the Most Valuable Player award. The junior varsity had an excellent season finishing with a perfect 13-0 record. The JV's were led on the floor by co-captains Liana Bauerle and Kathy Morris. The 1979 season should prove to be an exceptional one with the talented members of the JV squad and seven lettermen returning for action.



Please let me hit the next one.

L. to R., Row 1: S. Punk, P. Gannon, D. Hulings, H. Lathrop, J. Bradley, P. Sirianni. Row II: Coach Adamson, D. Parana, K. Cappella, B. Phillips, T. Bush, C. Lican.

CROSS COUNTRY

Row I L-R B. Ishman, M. Kojancic, D. Hulings, K. O'Boyle, T. Warner, J. DeWalt, J. Greenman, Row II W. Hulings, C. Sarvey, D. Ishman, T. Wile, T. Vandervoort, J. Gannon, J. Zaunick.

It was a rebuilding year for Coach Dave Brown's harriers, with only one experienced runner returning. The team was led by seniors, Tabb Wile and Walt Hulings. While going against the strongest dual meet schedule in the history of Kane Cross-Country, they compiled a dual meet record of 5-3. With improvement throughout the year, the team came on to a smashing first place finish at the District IX Meet. Wile and Hulings took second and third places while leading the pack. Tabb took fourteenth place at the PIAA State Meet to gain All-State status. This was the second best finish in Kane history.

The team outlook is tremendous. The crop of up-and-coming sophomores, together with the seasoned juniors, should be the recipe for one of the Wolves' best seasons ever.

Tabb Wile-All State.

L. to R., Row I; K. Johnston, P. Latshaw, K. Dangelo, J. Carlsson, C. Iannuzzi, B. Robinson, J. Bradley. Row II; T. Field, J. Parana, J. Haberberger, T. Pierotti, K. DeWalt, C. Detrick.

That way - about a mile more!

This was the first year for Girls' Cross-Country and a totally new experience for Coach Brown. Their season was completed in a typical Kane Cross-Country fashion as they went undefeated in dual meets, 4-0. Leading the pack was freshman Janet Parana, followed closely by a sophomore trio of Cindy Iannuzzi, Pam Latshaw, and Kelle Johnston. With Parana setting a course record and winning; the girls ran away with their first District IX Championship.

How can you improve on an undefeated season? With their top four runners plus an excellent group of additional underclassmen returning to build a good nucleus; this team has enough talent to do it all.

Yes June, there **is** life after death!

Toga!

COACHES: L. to R., P. Imbrogno, T. Cecchetti, R. Smith (head coach), T. Dalton.

It takes alot of hardwork, discipline, and teamwork in order to have a good football team. This year's team had all three of these qualities and in return, they finished with a fantastic season, which ended with an overall record of 6 wins and 2 losses. The Wolves took the Al-Kin crown after losing only 1 game in that league. They also posted a fine 3-2 record in the Bucktail Conference. Many members of the team received special honors. Those named to the Alkin All Star Team were: Jim Bergman, Tom Rolick, Tim Ishman, Doug Ewing, Harv Joffman, Bob Hadley, Rick Fisher, Bob Boyer, and Ike Erdman. Those named to the Bucktail All Star Team were: Tom Rolick, Bob Boyer, Jim Bergman, Rick Fisher, Tim Ishman, Joe Proesl, and Bob Hadley. Four Wolves also had the honor of being named to the Big 30 Team. They were: Tom Rolick, Bob Boyer, Tim Ishman and Rick Fisher. Behind a strong offensive line, Tom Rolick rushed for over 1000 yards. He is the second person in Kane High history to ever do this. The future? With 15 lettermen returning for action again next year, it should prove to be another fine season for Coach Smith and the Kane High football team.

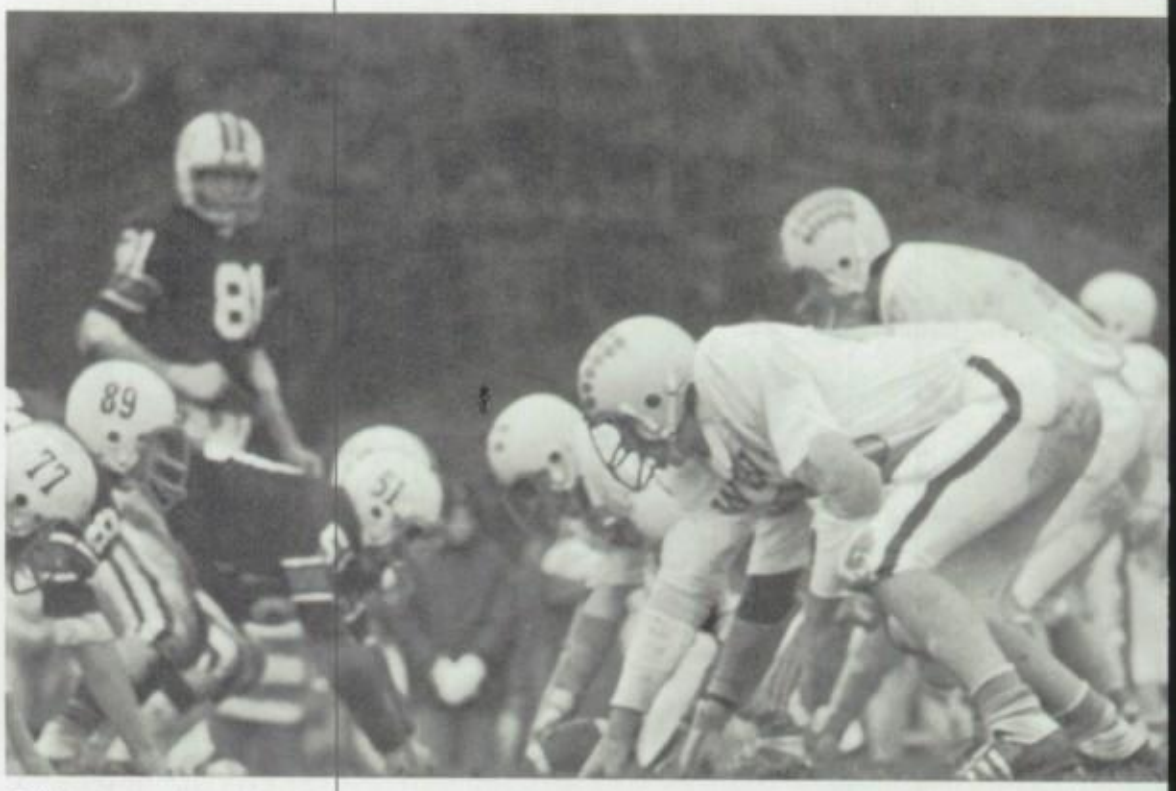
But Tom, let go of my hand.

I hope Berg is ready for this one.

The leader of the defense.

The steel wall.

Rolick rushes for over 1,000 yards.

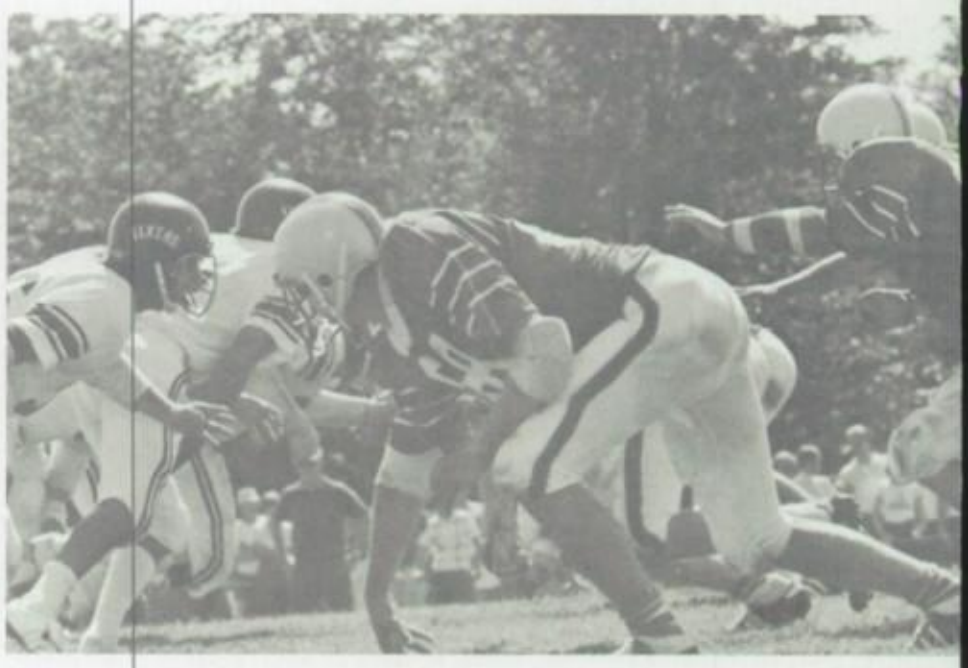


Behind good blocking.

A stingy defense gets ready.

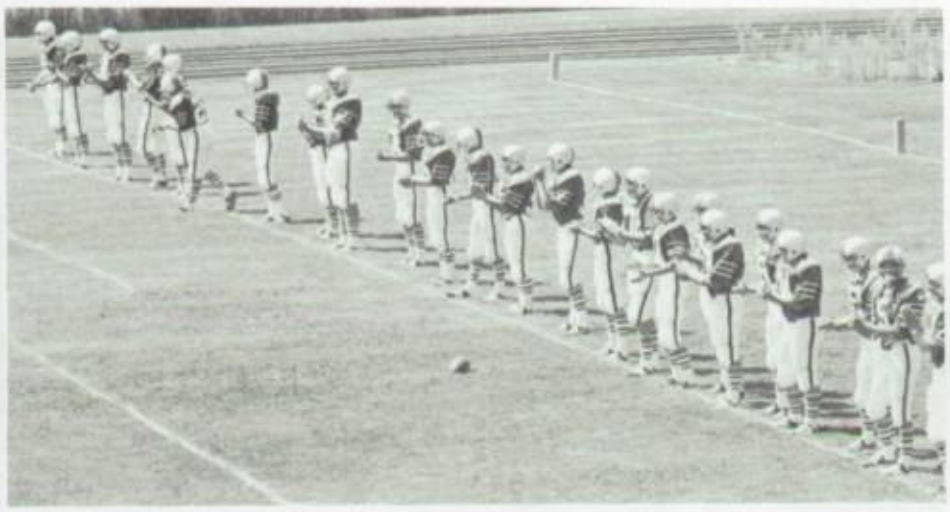
Ike finishes him off.

Out of the endzone.



Ready for the charge.

How's it look, Doug?



Before the sack.

Putting your body into the play.

I should be in Punt, Pass, and Kick.

GIRLS' BASKETBALL

It was a fairly good season for this year's Girl's Varsity Basketball team. They had a twenty game season, winning nine out of their twenty games.

Special honors went to seniors June Bradley and Brenda Phillips, who were named to the second team, Alkin All-Star Team.

The Junior Varsity squad had a tremendous season finishing with an overall record of 16-2.

With the members of the JV squad and five experienced lettermen returning for action next year, the future looks bright for the girls' basketball team.

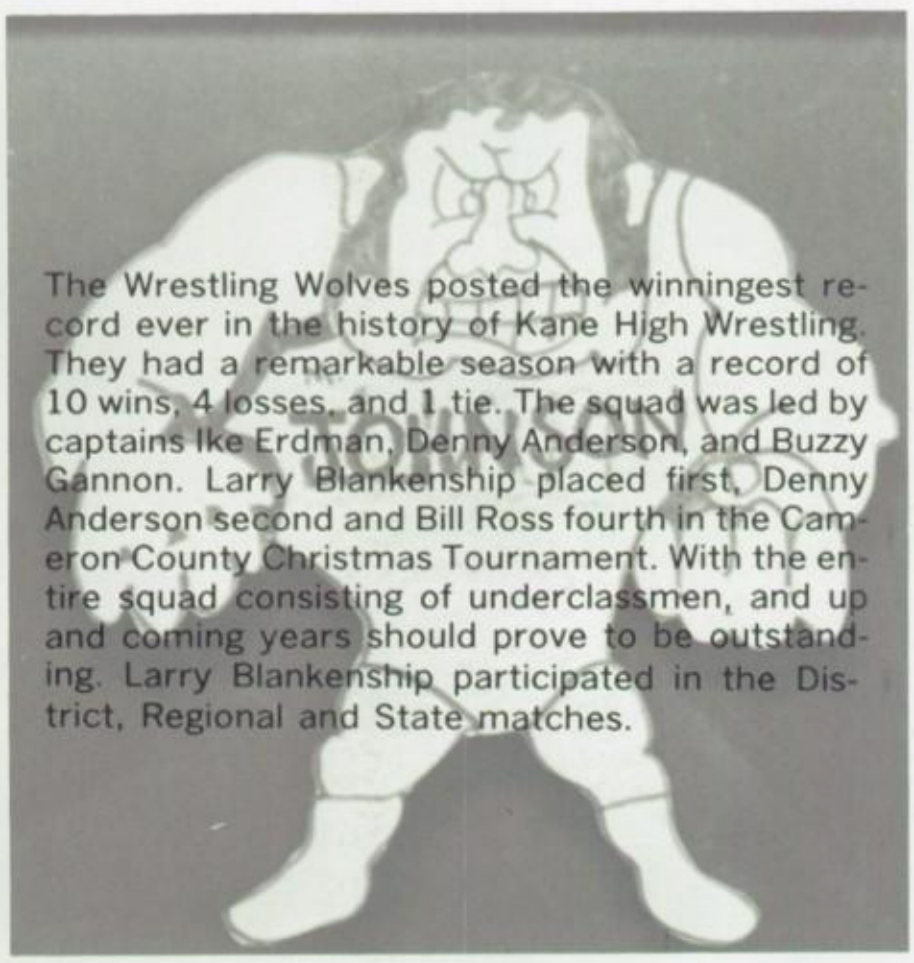
B-U-Z-Z!!



The Wrestling Wolves posted the winningest record ever in the history of Kane High Wrestling. They had a remarkable season with a record of 10 wins, 4 losses, and 1 tie. The squad was led by captains Ike Erdman, Denny Anderson, and Buzzy Gannon. Larry Blankenship placed first, Denny Anderson second and Bill Ross fourth in the Cameron County Christmas Tournament. With the entire squad consisting of underclassmen, and up and coming years should prove to be outstanding. Larry Blankenship participated in the District, Regional and State matches.

BOYS' BASKETBALL

L. to R. - Row I- D. Phillips, T. Rolick, P. Kibbie, Row II- J. Olson, J. Wilson, J. Bergman, T. Wile, B. Shrubb

This years basketball team had an outstanding season as they compiled the best seasonal record in many years, 20-3. They were led by senior co-captains: Jim Bergman, Tabb Wile and Tom Rolick. Jim Bergman was again voted M.V.P. of the Al-KIN League, as Wile and Rolick were selected on the second team. Brian Shrubb was voted honorable mention. Kane wholloped J-burg in the Paper City Tournament, as Bergman, Rolick, and Keith Rolick were selected to the All-Tourney Team.

This team, players and coach should be highly complimented on such a fine season, especially on overcoming the mid-season depletion of the team.

How's the future look? Next years team, with the return of the suspended players along with the vastly improved lettermen, they should be as good, if not better than this year's team.

Special honors were bestowed upon Coach Finnefrock as he was named Big 30 Coach of the Year. During the year he led Kane to their first Alkin Championship with a league record of 9-1.

"I" THE TEACHER

I'm a teacher. My profession not only requires knowledge and skill, but it requires a great deal of patience and understanding. I have a special talent for teaching and I communicate well with my students. My teaching career is filled with new experiences, each day is different from the next. I unselfishly give up my time and treat each student as an individual. My main objective is to strengthen and develop the mental abilities and capabilities of my students and help prepare them for the future. Being a teacher is far from being an easy job. When my students show their appreciation and gratitude by saying "thank you", that's when I feel like I have successfully done my job.

"I" THE STUDENT

I'm a student and have been one for at least a decade. As a student of Kane High I must face seven periods of classes everyday. During these, somestimes long, periods I listen to lectures and take notes, fall asleep during a movie, take a test, daydream, and even get confused (Chemistry, Physics, Trig, Calculus).

Even though being a student is a 24 hour job and at 3:10 I still have unfinished homework and tests to study for, I still find time to go to work or practice, play intramurals, swim, participate in clubs, attend sporting events, and have some good times with my friends.

Being a student hasn't been an easy job, and after many years I have learned the basic survial skills of being a student. I guess now, you could call me a "professional student".

JUST YOU AND ME

MAY 6, 1978

One of the biggest events of the school year is the Junior-Senior Prom. It's not an easy job organizing everything and all the work that goes into the decorations is almost unbelievable. The Juniors started working way back in September trying to get everything ready for the big night. Well, May 6 finally arrived. Walking into the Prom and seeing all the beautiful decorations, it was hard to believe that yesterday it was just a plain old cafeteria. The theme for the Prom was "Just You and Me" and the music was provided by "Emotions". The highlight of the evening was the choosing of Ed Vanerstrom as Prom King and the crowning of Beth Sicher as Prom Queen. The night was not yet over. After the Prom everyone went to the Elks for the Post-Prom and danced to the music of 'Entrance.'

The night that everyone waited for for so long was finally over. But it will be a night that will never be forgotten.

Nine girls from the Class of '79 competed in the Miss Kane High Talent Show. All of the girls performed excellently but Brenda Phillips and her dazzling baton routine, won the hearts of her classmates. Brenda was chosen as the new Miss Kane High and thus represented Kane High at the McKean County Fair Queen Competition. Brenda was kept very busy during the summer months while she attended various dinners and luncheons and made many speeches. She practiced many long hours getting ready for the talent competition at the fair. We were proud to have Brenda as our representative and she did a fantastic job.

SELLING MAGAZINES;

Mornings full of counting and recounting money, everyone racing to reach their quota and the hog party. These were all parts of the Magazine Drive. The energetic Class of 79 was very successful to say the least. They reached their class quota with a grand total of $33,027, that was enough money to beat last years class and enough to set a new national record per individual sales. Matt Hottel, Patty Pearson and Tom Hall headed the drive and did a great job of getting the drive organized. High salespersons included Karen DeWalt, Rich Caruso, Julie Mertz, Sue Punk, and Judy Udovich. Congratulations to the Class of 1979 for a job well done!

KANE HIGH'S EXCHANGE STUDENT

For quite a few years, Kane High has had the privilege of receiving many exchange students from foreign countries. This year we were very fortunate to have with us Sissy Niitsu, an exchange student from Japan. Sissy came from a small town near Tokyo, called Kushigata where she lives with her family. Sissy is kept very busy here at Kane High. She attends most all of the sports events and is a member of the choraliers and an avid member of the ski club. As we walk down the hall, we can see some of the fine artwork that Sissy has done. After her stay at Kane, Sissy will return to Japan where she plans on attending college and becoming a teacher. We have thoroughly enjoyed having Sissy as our exchange student and we wish her lots of luck in the future.

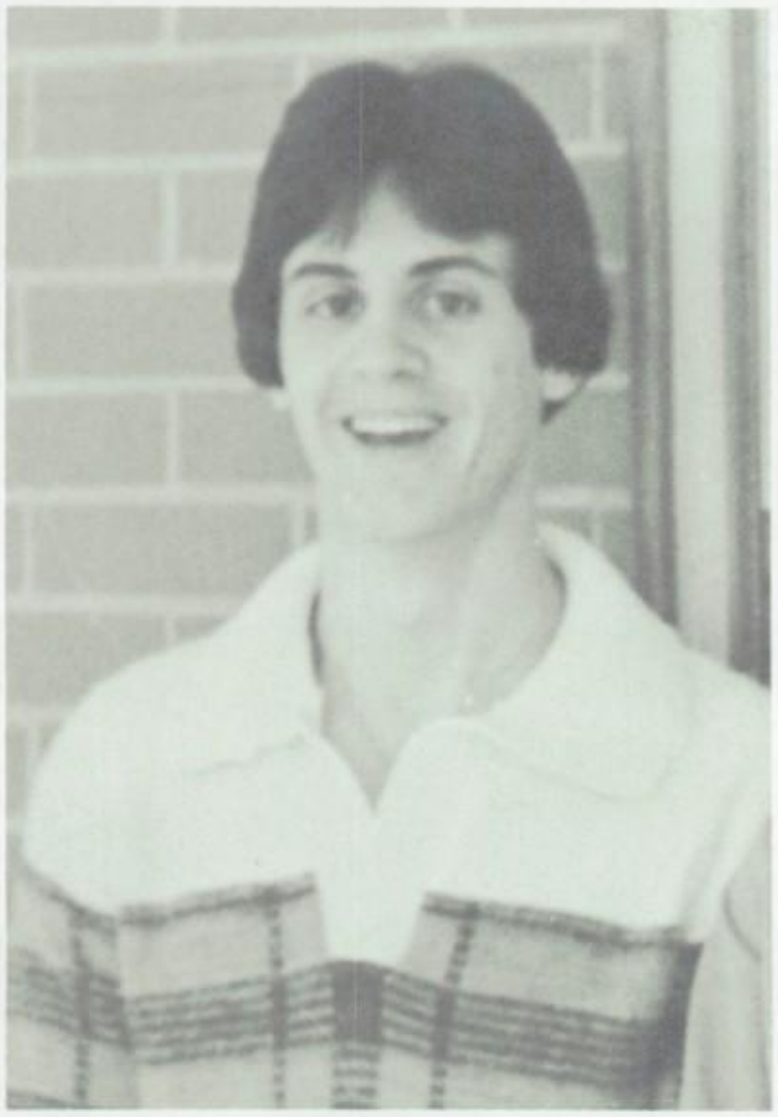
TELL ME, WOULD WE?



"No, because I just barely made it the first time, and if I went back, I might not make it."

--Ralph Cecchetti

"No, I don't think that the second time around would be quite the same. I'll miss it, but it's time to go out, meet new people, tackle new goals, and most of all, remember old friends and good times."

--Matt Hottel

"No, although my years in school have been a rewarding and unforgetable experience, I wish to broaden my horizons and views. There's a whole world waiting!"

--Chris Swanson

"No, the first time around was bad enough. Why prolong the agony?"

--Sterling Watts

"No. I have enjoyed High School, but I have other plans for the future. Each part of life is as important as the other and these high school years are almost over."

Memory is like a book
filled with the pages of life.
Each memory is written down
and we can turn back
to read or relive
what has already been recorded.
Some unpleasant memories
are blocked out,
like pages torn form the binding
never to be read again.
The chapters which end
happily ever after,
are those which we reread
most often.
And like the author
of a book,
we have a copyright
on all of our
memories.
